LOW COST BOARDING FOR RESCUE DOGS

Atlanta Dog Trainer (Atlanta, GA) has recently opened a large luxury pet resort in Cumming, GA and we would like to extend a special offer for all rescue organizations to help you with your housing issues with all the dogs that need to get out of the kill shelters. Our large and spacious pet resort is on our 3.5-acre farm in Cumming. This location is a perfect place for your organization to hold adoptions, which should save you a lot on transportation costs and the amount of volunteers needed for each adoption. Holding a space, housing and feeding one of your rescue dogs at no charge on a continuous basis in exchange for having our brochures and fliers in your adoption packets or on other literature. Our goal is to offer you an alternative to cage boarding at a very reasonable price for all dog friendly rescue dogs to come relax, unwind, and decompress at our facility. For any additional rescue dog boarding with us our fee for all of the above will be a rescue friendly discounted rate of \$10 a night per dog for all your rescued dogs waiting a forever home.
