2nd Chance 4 Pets Director Selected to Lead Roundtable Discussion at Best Friends' No More Homeless Pets Conference

Las Vegas, NV (September 25, 2008) - Amy Shever, Director of 2nd Chance 4 Pets, has been selected to facilitate a Round Table Discussion session during this year's Best Friends Animal Society's "No More Homeless Pets" conference which will be held October 24-26 in Las Vegas, Nevada. Shever joins a list of over 35 animal welfare leaders who will be sharing their expertise at the three-day conference through panel discussions, workshops and educational sessions.

"Many pets whose human caregivers met with unexpected disability or misfortune end up abandoned or in animal shelters. Educating animal welfare advocates on the importance of lifetime care planning for companion animals helps in our efforts to make a significant impact on the issue of animal overpopulation." said Shever.

2nd Chance 4 Pets will also participate as an exhibitor at the conference, providing resources to help educate pet caregivers about the need for making arrangements for lifetime pet care. The conference, which attracts several hundred participants each year, provides the opportunity for grassroots animal welfare groups to learn about tried and true animal lifesaving programs.
